Eden · Café crème

100% electric evocation of the Citroën Méhari, crafted by the Méhari Club Cassis.

Powered by an electric motor, EDEN embraces today's sustainable mobility challenges while celebrating the free-spirited vibe of the '70s and delivering a truly unique driving experience. Blending tradition, elegance, and modernity, this vehicle embodies all the technical expertise of the Méhari Club Cassis, the go-to reference for enthusiasts everywhere. The model we have here is a cream-colored Eden, named 'Café Crème'.
